LB 45

SENATOR SAVAGE: Senator Reutzel. There is no other lights on. Senator Mills, do you wish to close?

SENATOR MILLS: Mr. President, members of the Legislature, there seems to be some, perhaps, lack of knowing what is going on here because of our Easter recess and LB 45 did have some E & R errors which caused it to be brought forward, or go forward, come back and so consequently, the motion that I made had to be made after LB 45 was advanced and now to return it. Senator Murphy did not really have a chance to speak to this. I don't really don't want to tell you that he is all in favor of it nor do I think he is all against that but, Mr. President, as to refresh your memory, LB 45 was discussed on General File. It was done in the morning just before the noon recess. There was a lot of debate. We came back into the body much like we are today. The motion was to advance LB 45 and it was done. Many of the opponents were not in the room and I think that we should bring it back now to Select File to discuss LB 45 more fully so that we can refresh our memories rather than moving it on over to Final Reading and saying, golly, gee, what happened. So I would ask you to move LB 45 back.

SENATOR SAVAGE: The question is to return LB 45 to Select File for specific amendment and that is to strike the enacting clause. All those in favor vote aye. Opposed vote nay. Will you please vote. Have you all voted? Will you please vote. The Clerk will record. Senator Mills.

SENATOR MILLS: Mr. President, I have to preface this but everyone else has been passing and I should have done the same, therefore, I will move for a Call of the House.

SENATOR SAVAGE: Do I see five hands? Motion for a Call of the House. All those in favor vote aye, opposed vote nay. Record.

CLERK: 21 ayes, 6 nays to go under Call.

SENATOR SAVAGE: The House is under Call. Will the Sergeant at Arms select the Senators and bring them back to their seats. Will you please indicate your presence? Senator Kelly.

CLERK: (Mike off) voting no on the original motion. Senator Goodrich voting aye.

SENATOR MILLS: I asked for a roll call, Mr. President.

SENATOR SAVAGE: Roll call vote.

SENATOR MILLS: Not right now, though.

SENATOR SAVAGE: Will you please gather the Senators that aren't present. Senator Clark, indicate you are present. Roll call vote. Senator Simon. Where is Senator Merz? Senator Frank Lewis. Senator Burrows, will you check in. Senator Maxey, will you check in, please. Senator Mills, are you ready now? As soon as the Clerk gets off the telephone, we will start the roll. Start the roll, Mr. Clerk.

SENATOR MILLS: Mr. Chairman, this is merely the return, right?
